

Oak Green School Curriculum Newsletter
Little Owls & Eagle Owls
Autumn 2, 2025

Little Owls

Another busy term it has been and what fun we have had. We have been learning all about traditional tales such as goldilocks and the three bears and the children have learnt how to sign 'bears' using Makaton.

Eagle Owls

What a lovely term we have had in Eagle Owls. The children loved learning about some of our traditional stories like The Gingerbread Man. They enjoyed using straws and cotton buds, making skeletons and finding out about the different types of bones you can find in the human body. Our fireworks pictures were fantastic too!

Forest School

The weather has been getting colder so we have been exploring the ice and frost, and beginning to make Christmas decorations. After getting cold, we warmed up again by the fire and drinking our hot chocolate.
