

Oak Green School Curriculum Newsletter  
Little Owls & Eagle Owls  
Autumn 1, 2025

**Little Owls**

What a wonderful term we have had already. We have been learning about me and my community and exploring Autumn. We have been able to have an exciting experience of exploring the pumpkin patch In Little Owls garden!

**Eagle Owls**

It has been a “delicious” term for Eagle Owls. We learned how to make pumpkin soup, after we looked at the Autumn season, when the farmers harvest their crops and some animals hibernate.

**Forest School**

We have had a busy term back in Forest school enjoying watching the seasonal changes around us. We have made clay snails and conker people, and have had lots of fun jumping in muddy puddles!
