Reception Owls

Summer 1, 2026

Maths

This half term, the children have been exploring 2D and 3D shapes. They have been creating pictures with shapes and completing shape puzzles to explore positional vocabulary.

HOGSHAW
◇ FARM ◇
& WILDLIFE PARK

We had a wonderful time at Hogshaw farm! Our children pet a ferret and fed deer. They got to watch close up Barn Owls flying over their heads. The children had such a good time, they even wrote sentences about it the following week!

Independent Writing

Children are starting to extend their sentences using conjunctions. They enjoyed describing places they went to with their families on a day out or a holiday. It has been a real pleasure to watch their enthusiasm when describing vegetables using the four senses.
