13th March 2026

Dear Parent/Guardian,

As part of our 'Animals and Humans' topic in Science we are learning all about our 5 senses. To support our work on taste we will be undertaking some food tasting activities. We will be tasting small segments of the following foods during our investigation:

Lemon / Sugar Cube / Salty Crisps/ Baking Chocolate/ Mild Salsa

If you **do not** give permission for your child to take part in tasting these foods during their science lesson [please email the school office](#) to let their class teacher know by Tuesday 17th March.

Yours Sincerely

Mrs Sharp, Mrs Lucas, Mrs Holt and Miss Jacobs
