

Friday 10th October 2025

Dear Parents and Carers,

We are excited to inform you that **Year 1** will be holding a **Science Day** on **Thursday 6th November**. The day promises to be an inspiring and educational experience for all our pupils.

We are delighted to welcome visitors from **Science Oxford**, who will be running two fantastic sessions:

- *Inventing with Isobel* show
- *Air Powered Mice* workshop

In addition, the children will take part in a variety of engaging science workshops throughout the day. All activities will take place in school, and pupils will be off their usual timetable for the day.

The total cost of the workshops for the year group is **£450**. This includes a large discount negotiated as we are a big group.

The cost per child is therefore **£5.00**. This is due by **Friday 24th October** and is payable via ParentPay.

While this is a voluntary contribution, should not enough people pay the science workshop day will need to be cancelled for the whole year group. If you feel unable to contribute towards the visit, please make an appointment to see one of the Co-Headteachers to discuss in confidence.

Children will remain in school for the day, and **lunch arrangements will be as normal**.

We look forward to an exciting day of scientific discovery and creativity!

Kind regards,

Mrs Holt, Mrs Lucas, Mrs Sharp and Mrs Dale
