

Oak Green School Curriculum Newsletter

Year 2

Spring 2, 2026

History

The children really enjoyed meeting Queen Victoria on our Kings & Queens day and learning about her life, Henry VIII and Queen Elizabeth I. We took part in jousting and learnt a Tudor dance. They particularly enjoyed exploring the different artefacts. It was a memorable day for all!

Science

This half term in science, we have been looking at plants. We have thought a lot about what plants need to grow and stay healthy and we have drawn plant life cycles. We have used all of our new knowledge to plant our own sunflowers and are observing them closely to ensure they grow.

R.E

This term we have been looking at how important it is for Christians that Jesus came back to life after his crucifixion. We looked at the different parts of the Easter story and why this is so meaningful to Christians.
