

Oak Green School Curriculum Newsletter  
Year 3  
Autumn 2, 2025

In English, we have been reading 'Fox'. We have written fable narratives telling the story of a cunning fox who played horrible tricks on Magpie. We then had a go at writing information reports about Foxes.

In Spanish, we have enjoyed learning greetings and now we like to answer the register in Spanish! We are able to ask how someone is and answer the question ourselves. We also learnt the numbers 1-10 and a variety of colours.

In design and technology this half term we have learnt about healthy meals. We had fun slicing and chopping to make our ratatouille and taco fillings!
