5th January 2026

Dear Parents and Carers,

On 14th January, Year 5 will be having an exciting visit from the wonderful team at Science Oxford with their out-of-this-world planetarium and water rockets workshops.

During their visit, each class will have an hour-long workshop with the Science Oxford team to explore the wonders of the universe and a 90-minute workshop exploring rockets and using water to launch them into the air. The rest of the school day will be packed with lots of exciting space themed activities to bring out the children's inner space explorer.

We are able to offer this visit for a contribution of £5. **Please pay via ParentPay by Monday 13th January 2026.**

As this visit is taking place in school and during the school day, our morning register and home time will be the normal times. Additionally, lunchtimes will be as normal.

Yours Sincerely,

Mrs Davis, Mr Leech, Miss Davis, Mr Hagger and
