3.6.2026

Dear parent/guardian,

Ahead of the Upper KS2 (Years 5-6) School Games Day (Sports Day) this month, I have prepared some important information.

The above years will be having their Sports Day on **Friday 19th June (reserve date 26th June)**. The children will take part in a series of timed athletics activities from Athletics England's Funetics programme, where they will be scoring points for their house. Following these activities, we will end with some traditional running events. Points will be tallied and the team with most points overall will be awarded the sports day cup. The children will leave the field and parents will be asked to leave the school premises via the Year 5/6 gate.

I'm sure the day will be extremely enjoyable and successful, but to help make this happen please can you take some time to read through the following information:

Timings - Parents arrive at 9.00am, events begin at 9:15am and these will be expected to finish at 11:45am or soon after.

Clothing – Ensure that your child comes to school with the appropriate PE kit and footwear, a water bottle **with their name on it**, a sun hat and can you make every effort to apply sunscreen to your child/children **before** they attend school.

Code of Conduct - Please see <https://www.oakgreen.bucks.sch.uk/parent-and-visitor-code-of-conduct/>

In-keeping with the values of the School Games, parents / spectators are asked to:

- Remain outside the event area and within designated spaces (due to the MUGA there will be areas of limited visibility of the children, but every effort will be made to allow you to see more of the spectacle).
- **Please only take pictures of your own child/ren. Not all our children have photo permission. Please see OGS Policy for 'Online Safety - Acceptable Use (I.T. for children, staff, governors and visitors)', with reference to not uploading any media, including photographs or videos, of pupils (not related to parents or part of family group) to any personal social networking sites.**
- Never engage in, or tolerate, offensive, discriminatory, insulting or abusive language or behaviour.
- Always respect the games officials' decisions and encourage children to respect the opposition and officials.

In addition, parents / spectators should:

- Applaud effort and good play as well as success. Remember that children play for FUN. Encourage your own and all children of all abilities and skills to do their best.
- Let the staff do their job and not provide instruction which may confuse participants.

Thank you in advance for your support and I trust you'll have a great time supporting all of the children. I can't wait to see all of them pushing themselves to reach their personal goals, as they aim to win points for their house.

Yours sincerely,

The Oak Green PE Team
