3.6.2026

Dear parents and carers,

Year 2 Aylesbury on Sea Active Workshop

Friday 12th June 2026 10-11am

We are excited to be welcoming Aylesbury Town Council and DJ Dan Blaze to Oak Green School on Friday 12th June, for an amazing active workshop, this is a new addition to the Town Councils Aylesbury on Sea event and ties in very nicely with the current topic being taught in year 2.

These workshops are designed to get the children moving, laughing and working together through a mix of sport, music and party style games. The focus is: fun first, confidence always and everyone included.

What happens in the workshop?

- High Energy warm up games with music and movement.
- Fun skill-based challenges.
- Team activities to build cooperation and school spirit.
- Celebration finale with awards.

Pupils need to come into school wearing their PE (black shorts, black t-shirt), trainers and are encouraged to bring a sun hat/cap with them. Please make sure your child has a water bottle with them.

Kind regards

Year 2 Team and PE Team
