KS2 SATS Results Delayed

Dear Year 6 Parents and Carers,

We are writing to let you know about a delay to this year's Key Stage 2 (KS2) Standards Attainment Tests (SAT) test results, which affects all schools nationally.

Schools were due to receive results next week on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available to schools on Thursday 16 July 2026.

We fully appreciate this is frustrating, and we share that feeling. We would like to reassure families it will not get in the way of celebrating everything your child has achieved at the end of their primary school journey.

Providing these results are available within a timely fashion to schools on Thursday 16 July, there are some steps for schools to take to share results with parents. As a result, you will receive your child's end of the year school report with their SATS results on 17th July. We will keep parents fully informed around this time.

Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.

This will not impact your child's transition to secondary school and no action is required from parents or children.

If you have any questions, please contact the school office.

Thank you for your patience and understanding.

Yours Sincerely,

Mrs Kelloway and Mrs Beesley
Co-Headteachers
