

Oak Green School Curriculum Newsletter
Year 5
Summer 2, 2026

In history, we have been studying Ancient Greece. The children have explored different influential people such as Hippocrates, Plato and Socrates. They created fact files on these individuals to evidence the impact they have had on the modern world.

In RE, we have been studying Christianity, answering the question 'What is the best way to show commitment to God?' We have explored the 10 commandments, rites of passage and communion.

In science, we have explored animals and their habits including life cycles and the reproduction of flowers. We have dissected flowers, identifying the different parts.
