Early Years Sessions

at the Aylesbury and North Bucks Family Hubs

My First Playtime (0 to 1 year or until walking) and Messy Play and Explore (0 to 5 years) are free play sessions held at our Aylesbury and North Bucks Family Hubs. Babies and children can explore and learn through a range of activities that support their early development, build confidence and help give them the best start in life. Activities may include messy play, crafts, construction, singing and more!

The session also provides a space for parents and carers to connect, learn practical tools and strategies to support learning at home, or speak to a member of the Family Hub Service for information and advice.
