Oak Green School Curriculum Newsletter
Little Owls & Eagle Owls
Autumn 1, 2026

Little Owls

Little Owls have had a wonderful busy half term. We welcome new friends who have joined us for an exciting journey. We have had wonderful opportunities exploring Autumn, making pine cone owls, painting an Autumn tree and creating our own leaf crowns.

Eagle Owls

Eagle Owls have been learning all about ourselves and our communities this half term, part of which has been making lots of new friends and bonding fantastically as a class. We had great fun learning about superheroes, freeing them from the evil rubber bands, dressing up, making assault courses and thinking about what our individual superpowers are.
