Oak Green School Curriculum Newsletter

Year 3

Autumn 1, 2026

In English, we have been reading 'The Iron Man' – we have written trap explanations of our contraptions to capture the Iron man and stop his reign of terror once and for all! The children impressed us with their technical language and conjunctions	
	In history, we have been looking at the Stone Age and Bronze Age. We enjoyed learning about what it would be like to live in these periods. We enjoyed looking at how life changed when they discovered bronze and then iron, farming was much easier!
In art we have been looking at contrasting colours. We used watercolours to create a background and then used contrasting colours to colour in our butterflies.
