14th May 2026

Dear Parents / Carers,

On Thursday 21st May, 6A will be having a non-school uniform day as reward for their positive attendance. Every week each class in the school has the chance to earn different rewards based on the level of attendance the class achieved during the previous week (details of this can be found on the school's website) to celebrate and praise good attendance. I am very pleased to be able to reward 6A for their positive attendance, but I am even more pleased with the impact that good attendance is having on their learning.

As with all non-school uniform days, please make sure that the clothing is school and weather appropriate and thank you again for your support with school attendance.

Yours sincerely,

Mrs Mynott
6A Class Teacher
UKS2 Assistant Headteacher
