25.06.2026

Dear Parents and Carers,

We are writing to update you on the arrangements for Friday, 26<sup>th</sup> June.

Firstly, thank you to all parents and carers for your patience and support over the past two days. Closing the school was not a decision that was taken lightly, the extreme heat in our classrooms would have made learning very difficult, and puts at risk the safety and wellbeing of children.

The MET office has extended the Red warning of extreme heat until 9pm on Friday 26th June. Buckinghamshire Council has also raised a Red Heat Health Alert until 11pm on Friday 26th June. To ensure the safety and wellbeing of students and staff, **Oak Green School will remain closed to pupils tomorrow (Friday 26th June)**. Children can continue to access their learning using the remote learning packages on the website.

Temperature forecasts for next week are predicted to be between 22 and 24 degrees. We plan, therefore, to be able to **open the school as usual from Monday 29th June**.

Thank you again for your patience and understanding. We do appreciate the impact on families of the school not being open. We had very much hoped that we would be able to return to some sort of normality tomorrow, but we know that you recognise the need to put pupil and staff safety first.

We look forward to seeing your child(ren) back in school next week.

Kind regards,

Mrs Beesley and Mrs Kelloway
