FREE Summer Family Days at Thomley!

If your child receives benefits-related free school meals, they may be eligible for a free family day out at Thomley through the Buckinghamshire HAF programme this summer.

Thomley is a specialist disability centre with accessible play areas, sensory spaces, inclusive activities and a fantastic splash park – perfect for keeping cool during the summer holidays!

Our HAF sessions are designed for families to enjoy together, with a parent or carer remaining on site throughout the visit. It's a wonderful opportunity to have fun, make memories and enjoy a supportive environment that understands additional needs.

We also run Open for All days throughout the summer, welcoming everyone from the local community.

For eligibility information and booking details, please visit the Buckinghamshire HAF booking system and search for Thomley. Or book through this link:
