Dear Parents/Carers,

We are delighted to inform you that at Oak Green we are delivering a Whole Early Years Stay and Play event on **Tuesday 24th March 2026**. This will be based around one of our drivers - **Outdoor Learning**, where you can learn and play with your child across all areas of our Early Years Outdoor Provision.

A huge part of our Early Years offer is outdoor learning, therefore during this stay and play children will have access to each area of Early Years. They could explore Eagle Owls or Little Owls gardens, play in Reception's outside area, learn to ride bikes on the Pirate Ship playground or build dens in Forest School!

At Oak Green, we know that 'The importance of the outdoors as a context for children's learning and development is recognised in early years curriculum and pedagogy in many countries. The outdoors provides an authentic context for children to learn about themselves, the world and their place within it.' Our children thrive from being outdoors and children develop their skills hugely from what we can offer outside the classroom.

For this stay and play, there will be two sessions. The morning session will be 9:00am - 9:45am and the afternoon session will be 2:15pm - 3:00pm. **Please know that you can only attend one of these sessions.** If your child is a Reception child or a 30 hours funded child you may pick which session you would like to attend by filling out the below form:

<https://forms.gle/4hckxHsziEY5XCDQ6>

We look forward to seeing you play with your child outdoors. If you have any questions, please do not hesitate to ask a member of the EY team.

Yours sincerely

The Early Years Team
