Guitar and Ukulele at Oak Green School

David Allen is an experienced guitarist and teacher who offers individual and group lessons on the guitar and ukulele during the school day. He has recorded and performed in many different genres including classical, jazz, funk, folk, rock and pop and teaches all these styles to his students.

Students in their first year of learning an instrument benefit most from group lessons, however, as they progress, Mr Allen may recommend individual lessons for some pupils. The option to learn electric or bass guitar is offered, but a foundation of classical guitar is recommended first.

Mr Allen aims to provide 30 lessons in a full academic year, however he cannot make up lessons for individual children that are absent due to illness, school trips etc. He will, however, try to make up lessons if the school is not open due to inset days or other valid reasons if given advance warning.

The fees for lessons are:

- Group 20 minute lesson: £90 per term payable in advance
- Individual 20 minute lesson: £155 per term payable in advance.

To register an interest please email the information on the form below to Mr Allen and he will contact you directly to arrange lessons and payment. davidallenguitarservice@gmail.com
