Mrs D Kelloway (B.Ed. Hons, NPQH)

Dear Parents and Carers,

This year, we are giving the children an opportunity to turn their artwork into custom celebration cards and gifts, this will help fundraise for the school.

Over the next three weeks, the children will be working on their designs during class. Once completed, your child will bring their artwork home. If you would like to order items featuring their design, please complete the form on the front of the sheet.

Completed forms must be returned to your child's class teacher by **Friday 16th October** to ensure they are sent for production on time.

Once your order is processed, you will be sent a tracking link directly to your text or email. Finished orders will then be delivered to the school for distribution.

Thank you for your support with this project—we look forward to seeing their creative designs!

Yours sincerely,

Mrs Davis and Miss Mouzer
