04.11.2026

Dear Parents/Guardians,

Tawny and Snowy Owls will be performing their 'One Snowy Night' performance on **Wednesday 9th December**. There will be two performances: one at **9am** and the other at **2pm** on this day.

Due to seating limitations we can only permit two adults to attend on behalf of each child. **This can either be one adult at each performance or two adults at one performance,** whichever works best for you.

Please remember that pushchairs **are not permitted inside the building** and please can all parents and guardians be reminded that **photos and videos will not be permitted due to GDPR**.

We also ask that you provide your child's costume for this by **Monday 7th December.** The guidance for this is on the front page of the scripts, which were handed out on **Thursday 22nd October.**

The children have been working incredibly hard to rehearse their songs and dance moves for this so we hope to see you there.

Please indicate which performance you will be attending by completing the online booking form.

Thank you

EYFS team
