Thursday 19<sup>th</sup> March 2026

Dear Parents /Carers,

Each class will be holding a small party on **Monday 23rd March** to celebrate Eid and the end of Ramadan. During the afternoon children will have activities, games and music and we would like them to also have a small snack. We are therefore asking each child to bring in a small contribution of food / drink.

We anticipate that most children will share the food, however, if your child has an allergy or specific food requirements we request that you bring in food just for your child in a named container. Please also remind them not to eat anyone else's snacks. If any other children would prefer to have their own snack rather than share then please let the class teacher know and again send the items in a named container.

Thank you for your support and we wish every one who is celebrating Eid a wonderful day with your families.

Kind regards.

Mr Marshall  
Deputy Headteacher
